

USC-PIS User Manuals

D.1 Login and Registration:

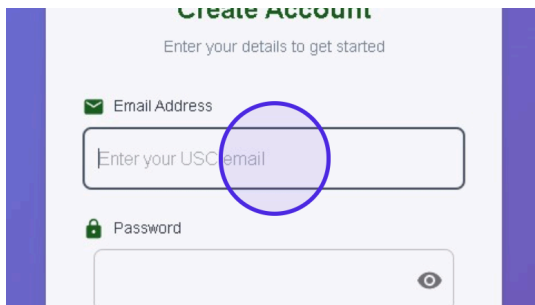

D.1.1 For new users:

1. Access the account creation page

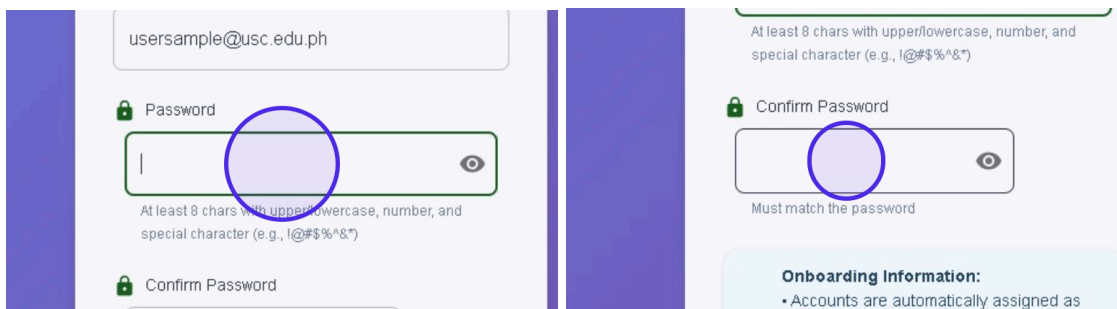

On the sign-in page, click the 'Create New Account' button located at the bottom of the login form.

2. Enter your registration details. Fill in the required fields, including your school email address and your password, ensuring the password meets the specified complexity requirements.
3. Input your email address

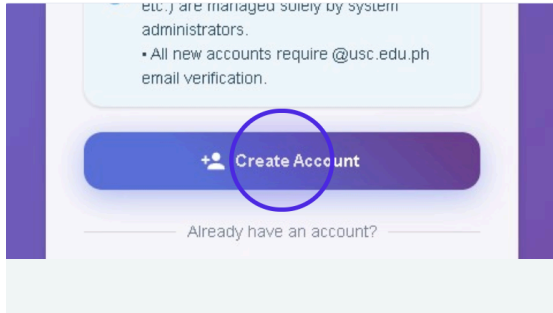

Enter your official school email address into the designated field.

4. Set and confirm your password

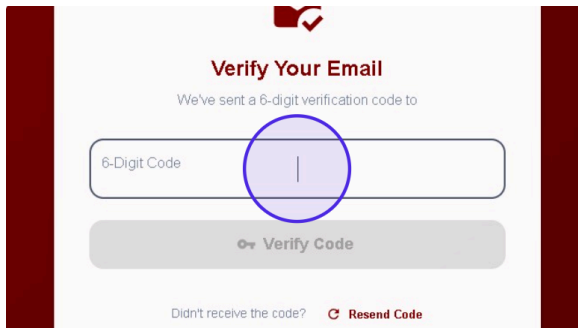

Provide a secure password and re-enter it in the 'Confirm Password' field to ensure they match.

5. Submit your account registration

A screenshot of a registration page. At the top, there is a light blue box containing text: "etc.) are managed solely by system administrators." and a bullet point: "• All new accounts require @usc.edu.ph email verification." Below this is a large blue button with a white plus icon and the text "Create Account". A purple circle highlights the "Create Account" button. Below the button is a link that says "Already have an account?".

Once all details are entered, click the 'Create Account' button to proceed with the registration.

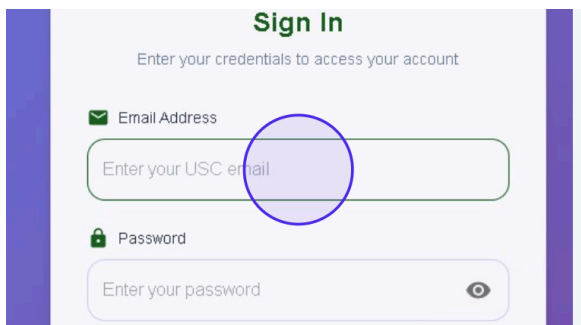

6. Enter the email verification code

A screenshot of a "Verify Your Email" page. At the top, there is a red checkmark icon and the text "Verify Your Email". Below this, it says "We've sent a 6-digit verification code to". There is a text input field labeled "6-Digit Code" with a purple circle highlighting it. Below the input field is a grey button with a checkmark icon and the text "Verify Code". At the bottom, there is a link that says "Didn't receive the code?" and a red button with a circular arrow icon and the text "Resend Code".

After entering the code, click the 'Verify Code' button to complete the account activation process.

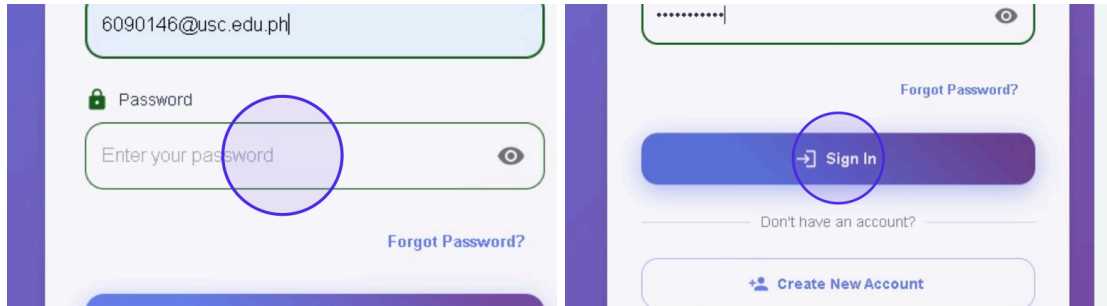

D.1.2 If you already have an account:

1. Enter your email address

A screenshot of a "Sign In" page. At the top, there is a green checkmark icon and the text "Sign In". Below this, it says "Enter your credentials to access your account". There are two input fields: "Email Address" and "Password". The "Email Address" field has a green checkmark icon and the text "Enter your USC email". A purple circle highlights the "Email Address" input field. The "Password" field has a lock icon and the text "Enter your password". There is an eye icon to the right of the password field.

Type your registered USC email address into the provided text field.

2. Complete credentials and sign in

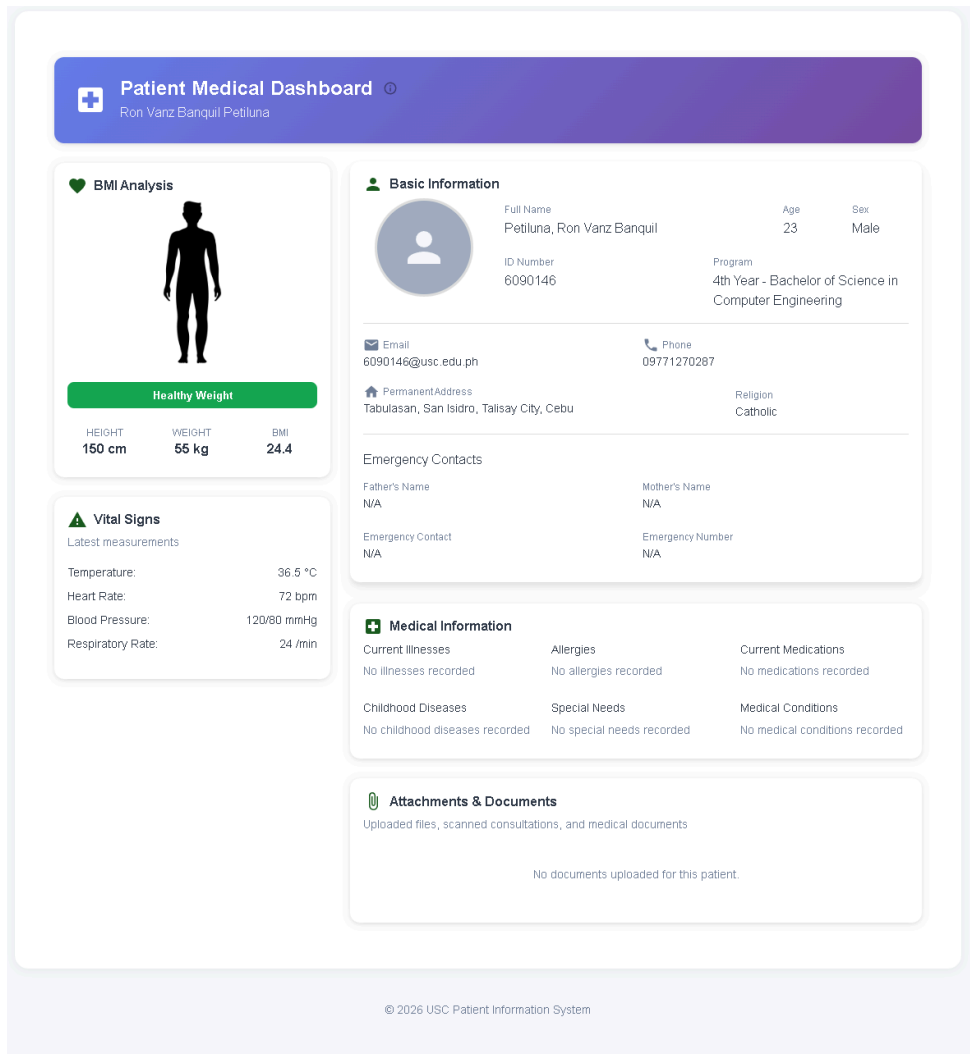

The image displays two side-by-side screenshots of a login interface. The left screenshot shows the email field filled with '6090146@usc.edu.ph' and the password field with the placeholder 'Enter your password'. A purple circle highlights the password field. The right screenshot shows the password field filled with dots and the 'Sign In' button highlighted with a purple circle. Both screenshots include a 'Forgot Password?' link and a 'Create New Account' button at the bottom.

Enter your password into the password field and click the Sign In button to access your account.

MEDICAL

Ron Vanz Petluna
6090146

Jun 12, 2026 03:16 PM
(4 days ago)

Chief Complaint:

experiencing a persistent headache and eye strain for the past three days

Treatment:

1. Practice the 20-20-20 rule (every 20 minutes, look at something 20 feet away for 20 seconds). 2. Adjust monitor brightness and maintain proper posture. 3. Increase water intake. 4. Over-the-counter pain relief (e.g., Paracetamol) if pain persists.

How to manage academic burnout

Category: Mental Wellness / Student Health Date: 4/28/2026

Are you feeling more than just "tired"?

As the semester progresses, it's common to face academic burnout—a state of emotional, physical, and mental exhaustion caused by excessive and prolonged stress.

Key Signs to Watch For:

Exhaustion: Feeling drained regardless of how much you sleep.

Reduced Performance: Difficulty concentrating on lectures or coding tasks.

Detachment: Feeling cynical or disconnected from your schoolwork and peers.

How to Reset:

The 50/10 Rule: Study for 50 minutes, then take a 10-minute break completely away from screens.

Annual Blood Donation Drive 2027

General Health Information

Duration: 6/4/2026 - 6/5/2026 Created By: Super Admin

Summary
 EDIT TEST Join the USC Health Services Department for our annual campus-wide blood donation drive at the Talamban Campus.

Description
 A collaborative life-saving initiative aimed at pooling blood reserves for the local community and emergency readiness. All eligible students, faculty, and administrative staff are encouraged to participate.

Content
 The donation center will be set up at the SAFAD Lobby from 8:00 AM to 4:00 PM on June 15, 2026. Free snacks, drinks, and iron supplements will be provided to all successful donors. Please ensure you get at least 7 hours of sleep the night before, stay hydrated, and bring your valid USC ID card for scanning and verification.

Objectives
 1. Collect at least 150 successful blood bags from student volunteers. 2. Raise institutional awareness regarding safe blood donation criteria and health benefits. 3. Register 200+ new donors in the campus emergency typing database.

Call to Action

- A. Filter by Rating: You can click on specific star ratings (1★, 2★, 3★, 4★, or 5★) to display only the feedback entries that match that rating. Clicking "All" will show all entries.
- B. Filter by Comments: You can use the Written Content dropdown menu to filter feedback entries that contain written remarks or suggestions.

10. Reports

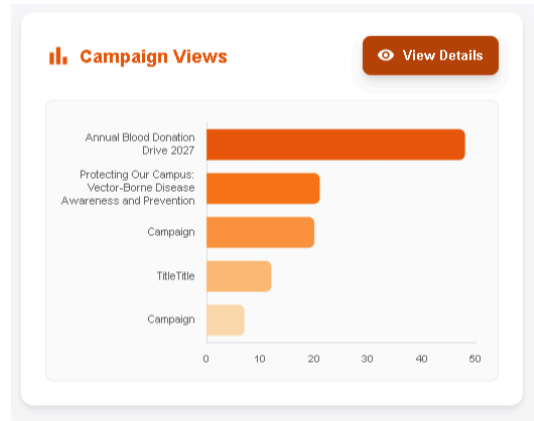

This view provides comprehensive analytics to help clinic staff monitor operations and performance.

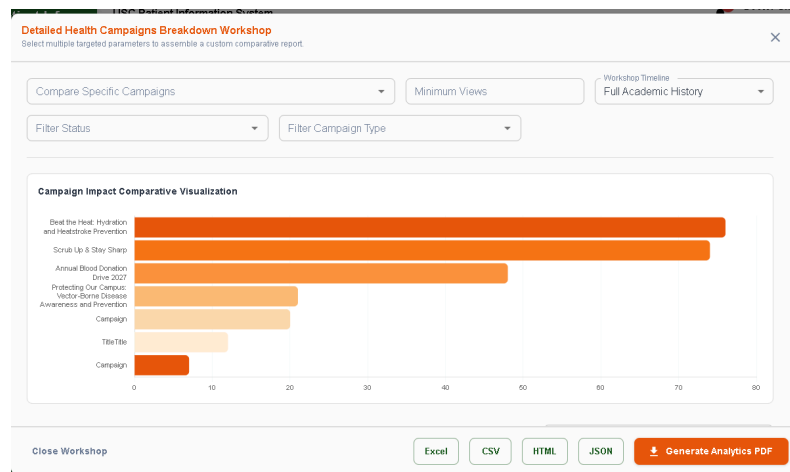

- Accessing Statistics: You can view basic statistics designed to assist clinic staff.
- Performance Metrics: Key insights available include the top diagnosis, patient satisfaction scores, and visit trends.

10.1. Generating Reports.

- A. Choose any Statistic You want to Generate. Open the detailed report. For this example click view details.

This is the detailed report.

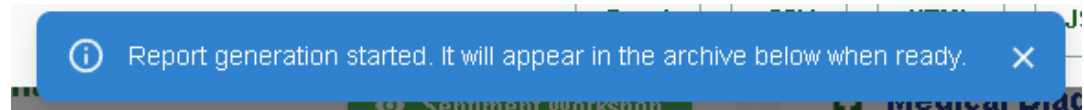

- B. Choose the appropriate filters you want for your report.

A filter selection interface with several dropdown menus and buttons. The "Compare Specific Campaigns" dropdown is set to "Minimum Views". The "Workshop Timeline" dropdown is set to "Full Academic History". The "Filter Status" dropdown is set to "All". The "Filter Campaign Type" dropdown is set to "All".

- C. At the bottom of the reports view, select your preferred file type for the generated report. You can choose from the following formats: Excel, CSV, HTML, JSON, and PDF.

- D. Once you have selected your preferred file format for the report, a confirmation message will appear to verify your action.

- E. Go to the bottom of the page. You will see your generated report there. Click the download button to see your generated report.
